

DECANTER MAGAZINE RECOMMENDS...(SEPTEMBER 2009)

...THE 2005 CHATEAU DU SEUIL GRAVES BLANC IS RECOMMENDED AS ONE OF THE “WINES OF THE MONTH” IN SEPTEMBER 2009.

Overlooking the Garonne, this British-owned property has produced a well-crafted, graceful, Semillon-dominated wine with a gently fruited, floral nose. The Sémillon grape is very much to the fore on the plate, which has a definite waxy undercoat complementing the freshy, nectarine and apple fruits. Drink now. (3 Stars 15.5/20)
