

CHATEAU DU SEUIL GRAVES ROUGE 2009- RECENT TASTING AWARDS

90 Points

Chateau du Seuil Graves Rouge 2009 - Here's a big, wood-laden wine that shows some bitterness, extraction and toast influence. However, the weight of ripe black-plum flavor will certainly come forward to produce a balanced, rich bottling, with the generosity of the year. Wait for 2-3 years. — R.V. (2/1/2013)
